11353 Cook Rd.
Gaines, MI 48436

May 30, 2017

Dear Friends:

The Swartz Creek Area Historical Society is pleased to be able to provide this list of area obituaries to the public, thanks to the support of librarian, Ivan Smith, of the Perkins Library in Swartz Creek. The obituaries are now housed at the Perkins Library. A card file format is used; care has been taken to make this collection user-friendly and we hope users will use care as they can make copies of the obituaries at the library.

For your convenience, this index is also available on our website: swartzcreekhistory.com.

The obituaries are mostly from the 2000's, but some date farther back. Patrons may find a missing obituary that is on the list; I am still working on the list and any names not on the list, as of this date, will be added in January. If you have family obituaries that are not on this list, please mail them to:

Len Thomas
4267 Springbrook Drive
Swartz Creek, MI

The obituaries have been housed at our archives, but have never been made public until now.

The attached Obituary Index contains names through 2016, with lots of holes prior to that date; please help us add earlier obituaries to this index.

We are hopeful this will be another good community resource at your fingertips.

Len Thomas
President

*"It is the mission of the Swartz Creek Area Historical Society to keep alive the chronicle of our community's
yesterdays, todays, and tomorrows in the hearts and minds of those around us."*
